

Big Ideas Online Textbook Instructions

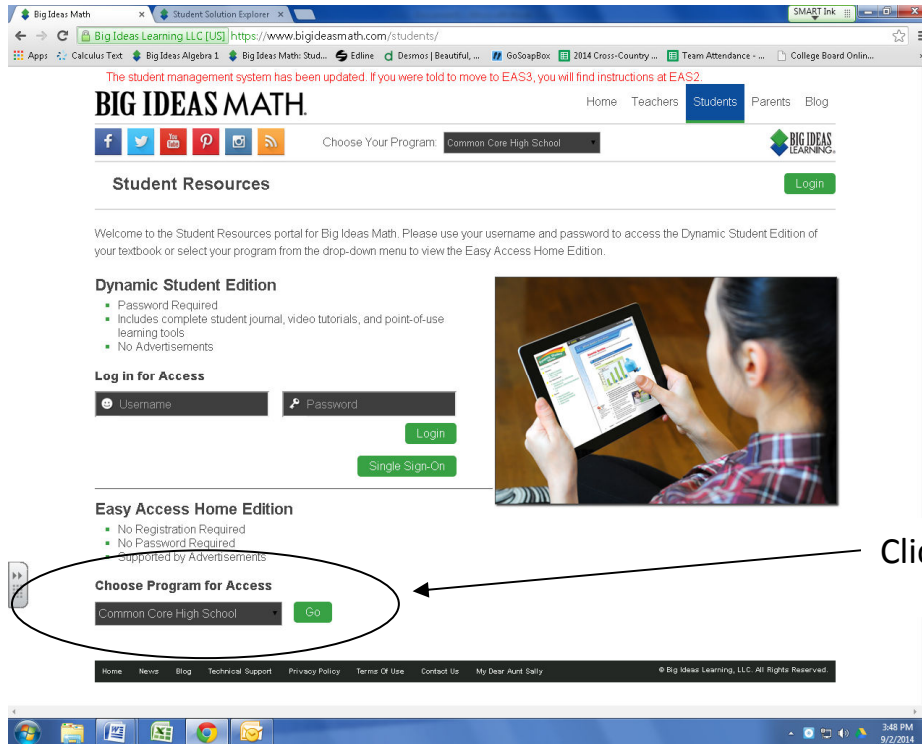

1. Go to www.bigideasmath.com

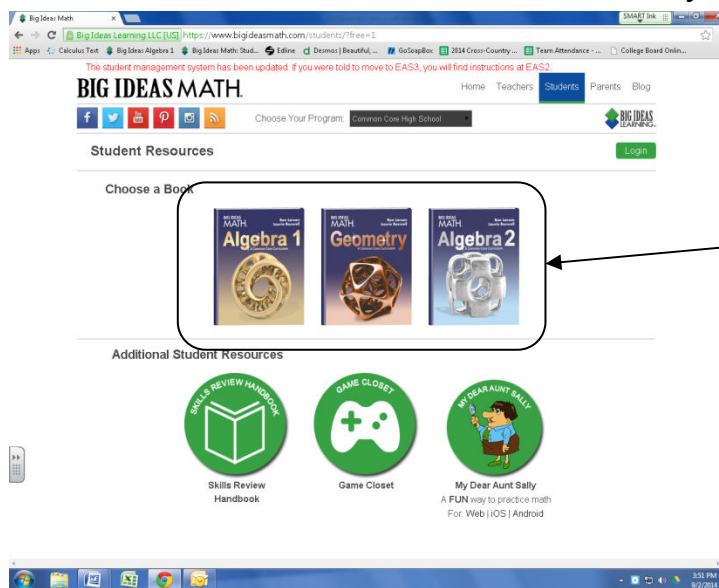

2. Click on the green circle labeled "Student".

- You do not need to set up an account at this time. You can go towards the bottom of the page at the Easy Access Home Edition, select “Common Core High School”, and then click “Go”.

- Click on your desired textbook. You will now have access to your full textbook as well as some other resources. Enjoy!
